

General terms and conditions (T&Cs) for the paysafecard gift card Ticket

Version: April 2019

1. General Provisions.

These Terms and Conditions govern your use of the paysafecard gift card ticket (the “Ticket”). Each Ticket allows you to purchase certain goods/services at our proprietary network of participating online merchants, some of which are listed on the Website (“Participating Merchants”) and can be used SOLELY ONLINE. By purchasing the Ticket or using the Ticket online, you are agreeing to these Terms and Conditions. These Terms and Conditions are available to be reviewed and/or downloaded at any time by visiting www.paysafecard.com/us (the “Website”). Please read these Terms and Conditions carefully. The terms “you” and “your” refer to the person who purchased the Ticket and/or the person who is using the Ticket. The terms “we,” “our” and “us” refer to The Bancorp Bank (the “Bank”) as the Issuer of the Ticket and its agents and contractors, including Paysafecard.com USA Inc. who may perform or provide services in conjunction with the Ticket. The term “Available Balance” refers to the Load Amount associated with each Ticket, less any purchase or other transactions and any fees, that is usable by you to make purchases. **You must have a computer (or mobile device) and Internet connection in order to use your Ticket.**

The Ticket will remain the property of the Bank and must be surrendered upon demand. The Ticket may be cancelled, repossessed, or revoked at any time without prior notice subject to applicable law. Please read these Terms and Conditions carefully and keep them for future reference. THE TICKET IS SUBJECT TO CERTAIN FEES. SEE FEES BELOW FOR MORE DETAILS. THESE TERMS AND CONDITIONS ALSO REQUIRE ALL DISPUTES TO BE RESOLVED BY WAY OF BINDING ARBITRATION. SEE SECTION 17 BELOW FOR MORE DETAILS.

2. The Tickets.

Tickets are issued in paper form only and are available in denominations of \$10, \$25, \$50, or \$100 USD and can only be purchased from certain retail outlets (the “Distributors”). A list of Distributors is available on the Website. Tickets are issued by the Bank and sold by a Distributor upon payment by you of the value printed on the Ticket (the “Load Amount”) plus a Convenience Fee, detailed in Section 4 below. Tickets cannot be reloaded or redeemed for cash. Tickets do not expire but may be subject to cancellation as set forth in Section 7 below, administration and other fees as set forth in Section 4 below or applicable escheatment laws as set forth in Section 18 below.

3. Ticket PINs.

Each Ticket is allocated its own unique Personal Identification Number (“PIN”). When you purchase a paper Ticket, the PIN will be printed on a paper voucher, which the Distributor will provide at the time of purchase.

4. Fees.

Subject to applicable law, the following fees apply to your Ticket and are subject to change at any time. Any changes to these fees or additional fees can be found by visiting the Website. All fees are listed in U.S. dollars.

The following fee will be debited by a Distributor on the initial issuance of the Ticket and is based on the denomination purchased:

\$100	\$3.49

The following fees will be debited from the Available Balance remaining on the Ticket:

Balance Update	No charge
Ticket Cancellation and Available Balance Refund Fee	\$7.50

5. Using a Ticket.

Tickets may only be used online for purchases at online Participating Merchants, which Participating Merchants are subject to change at any time. Tickets purchased in the United States can only be used online for purchases at participating U.S. Participating Merchants. If you wish to use your Ticket at a Participating Merchant for sports betting purposes, the following terms and conditions shall apply: (i) sports betting is permitted only in states that have authorized sports wagering; (ii) sports betting must be conducted via licensed sports wagering operators; and (iii) minimum age restrictions shall apply to sports betting. Check your state law for detail.

You may use your Ticket as often as you like to purchase goods or services so long as there is an Available Balance. You may use up to three (3) Tickets on the same transaction and no Transaction may exceed \$300 U.S. dollars. When you pay using your Ticket, you will be asked to enter the Ticket's PIN. Upon entering the PIN, you irrevocably authorize the Participating Merchant to deduct the value of that transaction immediately from your Ticket. **Once you enter your PIN, we cannot stop that transaction.** All debits from the Ticket shall be in U.S. dollars. You may check your Available Balance at any time on the Website.

If you find that your Ticket is defective, you should tell us immediately by phone at +1-877-638-6920. If it is not possible to remedy the defect, we will, at your option, issue you a new Ticket or refund the Available Balance on the Ticket. Tickets may only be issued in predetermined denominations. Therefore, if the value of the replacement Ticket is higher than the Available Balance on the defective Ticket, you will be required to pay the difference to us prior to issuance of the replacement Ticket.

6. Refund.

Tickets may not be used to access cash. However, if you elect to cancel your Ticket, you may request a refund of the Available Balance on your Ticket provided that you have more than \$10 remaining on the Ticket. To do so, call customer service at +1-877-638-6920. The refund will be given by check issued by the Bank. Before we can refund the Available Balance to you, we will need you to provide us with a copy of the Ticket, the Available Balance of your Ticket, your full name, street address, a copy of a valid government issued I.D. and e-mail address. In order to enable us to comply with our legal obligations, we may ask you to provide us with certain other information before we can process your refund request. An Available Balance Refund Fee will apply (see Fees section above), which will be debited from the Available Balance remaining on the Ticket.

7. Ticket Misuse and Cancellation.

We may block or cancel a Ticket immediately if we suspect any fraud or misuse of a Ticket, if we have other security concerns, or if we need to do so to comply with applicable law. We have no obligation to refund or issue you a replacement if in our reasonable determination, there is evidence of fraud or misuse. Otherwise, we will issue you with a replacement Ticket or a refund, at your option, if you contact us and if we believe no fraud or misuse has occurred. Tickets may only be issued in predetermined denominations. Therefore, if the value of the replacement Ticket is higher than the Available Balance on the cancelled Ticket, you will be required to pay the difference to us prior to issuance of the replacement Ticket.

8. Security and Unauthorized Transactions.

8.1 Upon purchase of a Ticket, you should check your Ticket receipt to ensure it has both a PIN and a serial number. If you cannot read your PIN or your serial number or you believe your Ticket, PIN or serial number is corrupted in any way, then you must inform us immediately at +1-877-638-6920 and provide us the serial number of your Ticket. Once we have verified that the Ticket, PIN or serial number is corrupted, we will then send you a new Ticket. If you are unable to read the serial number of the Ticket, then you must inform us immediately at +1-877-638-6920. You will be required to send us a copy of the Ticket receipt by photographing the Ticket and sending it to us via email as instructed by the customer service agent. Once we have verified that both the PIN and the serial number are illegible we will send you a new Ticket.

8.2 You must keep your Ticket and PIN safe and protect it from access by unauthorized third parties. Do not give your PIN to any unauthorized third party.

8.3 You should treat your Ticket like cash. If you lose your Ticket, it will not be replaced.

WE ARE NOT RESPONSIBLE FOR LOST OR STOLEN TICKETS or PINS.

8.4 If you believe your Ticket has been lost or stolen, you must inform us immediately at +1-877-638-6920 so that any remaining Available Balance on the Ticket can be blocked. To enable us to block a Ticket, we will require the serial number and the PIN. It may take up to one business day from the time we are informed of the abuse/theft for us to successfully block a Ticket. If the Available Balance is successfully blocked, and unless we have reason to suspect fraud, deliberate or negligent behavior on your part, we will, at your option, either issue you with a new Ticket or refund the Available Balance on the Ticket. Tickets may only be issued in predetermined denominations. Therefore, if the value of the replacement Ticket is higher than the Available Balance on the stolen Ticket, you will be required to pay the difference to us prior to issuance of the replacement Ticket.
