Your use of the paysafecard after these amendments are in force will constitute your acceptance of such modifications. As of the date indicated in the notice, any modified terms and conditions will apply to all future transactions made with the paysafecard. Notwithstanding the foregoing, we reserve the right to make such amendments without prior notice where such amendments are required immediately for purposes of maintaining or restoring security of the paysafecard or the Website, or in order to comply with applicable legislation. We may also, where required, cancel or suspend any features or services of the paysafecard without prior notice.

2. Fees

2.1 All our fees in connection with the use of the paysafecard will be indicated on your paysafecard. Some Webshops may charge administration or other fees for the use of the paysafecard, which will be included in the Transaction Amount. USD - Other 6.09%

3. Purchase of a paysafecard

3.1 The paysafecard can only be purchased from official online shops. The names and locations of all these online shops can be found on our Website.

3.2 paysafecards may be purchased, upon payment by you to the online shop in the amount of the value of the paysafecard. Multiple purchases of paysafecards may not exceed the total amount of 1.000 USD per day.

3.3 paysafecards cannot be re-loaded with additional funds, whether any Balance is remaining thereon or not.

3.4 A PIN is allocated to each paysafecard. When you purchase a paysafecard from an online shop, you will receive a PIN and a serial number for the paysafecard in electronic form. We strongly recommend that you immediately print out and/or record the PIN and the serial number for safekeeping.

3.5 With the exception of promotional paysafecards, paysafecards do not have an expiry date and shall be valid for as long as there is a Balance remaining on the card.

4. Use of the paysafecard

4.1 You may use the paysafecard with any Webshops that accept paysafecard as a means of payment, subject to any terms and conditions as may be required by such Webshops. The paysafecard does not require activation and can be used anytime after purchase. In order to use paysafecard, you will need access to a PC with an internet connection where JavaScript must be enabled in the browser or a flash plugin must be installed.

4.2 Each time the paysafecard is used to purchase goods and/or services from a Webshop, the Balance will be immediately reduced by the Transaction Amount and any applicable foreign currency conversion fees.

4.3 You may use several paysafecards for the same payment ("Transaction"). The maximum single transaction amount is stated on our Website.

4.4 The Transaction Amount made with a paysafecard (or multiple paysafecards, where more than one paysafecard may be used in one transaction) is limited to the Balance remaining thereon. An attempt to complete a transaction with a paysafecard, or with multiple paysafecards, with a Balance in an amount less than the Transaction Amount will result in the transaction being declined. Cashback transactions (a Transaction Amount greater than the price of the goods and/or services, inclusive of all applicable taxes) cannot be made with the paysafecard.

4.5 Prior to completing a transaction with your paysafecard, you will be asked to enter your PIN in order to validate your transaction. A validated transaction cannot be revoked.

4.6 By entering your PIN, you acknowledge that the Balance will be decreased by the Transaction Amount, plus conversion fees, if applicable, whether you receive the goods and/or services in question or not. You thereby irrevocably authorise the debit of the Transaction Amount. You also irrevocably authorise us to deduct the Transaction Amount, plus applicable fees, from your Balance and to transfer the Transaction Amount to the Webshop.

4.7 All debits of Transaction Amounts from your Balance will be made in USD. If you pay for goods or services in another currency, the Transaction Amount will be converted into USD at the exchange rate applicable at the time of the transaction, which rate and conversion amount will be posted on the Website. (Please see Section 6).

4.8 It is prohibited to sell, trade in, or purchase, paysafecards via unauthorised internet platforms. This prohibition explicitly refers to so-called "exchange platforms", where paysafecard PINs are offered for sale illegally.

4.9 You are responsible for keeping track of your transactions and your Balance. You may check the Balance on your paysafecard on the Website at any time. No paper statements are issued.

4.10 You may consult a list of the transactions made with your paysafecard on the Website at any time.

If you note any discrepancy relating to your transactions on your paysafecard posted on-line and your records, you must immediately contact us at info@paysafecard.com. We reserve the right to ask you to provide us with additional written information (such as your receipt from a Webshop). If you fail to notify us within sixty (60) days from the date of a transaction, the amount in your account with respect to such transaction will be deemed correct. Provided you have provided us with any requested information, we will correct any error on our part by crediting the amount to your Balance. This procedure may take up to ten (10) Business Days. If, in our view, the discrepancy is not due to any error on our part, we will not credit your account and will notify you thereof by email as soon as possible.

4.11 If you think that your paysafecard is defective, you should immediately inform us thereof by calling our hotline number or via e-mail (info@paysafecard.com).

If your paysafecard is defective, we will repair it at no cost. If the paysafecard cannot be repaired, we will provide you with another paysafecard with a balance equivalent to the Balance that was on the paysafecard, in accordance with our records, at the time you report the defect to us.

5. No Refunds

By accepting these General Terms and Conditions, you acknowledge that a refund of the remaining Balances that may exist in your paysafecard is not possible. From the moment you purchase your paysafecard, you need to use the Balance for making a payment Transaction. In any case you cannot ask for conversion of the Balance in cash or other means of payment.

6. Currency

6.1 paysafecards shall be issued in USD.

6.2 We will convert the Transaction Amount resulting from any transactions made in another currency into USD at the exchange rate applicable at the time the transaction is carried out. Our current exchange rates can be seen on the Website every day (www.paysafecard.com/en-ca/currencycalculator/) and will be shown while the Transaction is processed. The exchange rate used and the amount that has been deducted from your paysafecard will also be shown when the payment transaction has been processed.

7. Your Duty to Exercise Due Care, Security and PIN Protection

7.1 When purchasing a paysafecard you must verify whether a PIN and a serial number are indicated. If you are unable to read the PIN or if you think that your paysafecard has been tampered with in any way, you must immediately inform us thereof by calling our hotline or via e-mail (info@paysafecard.com). You will be asked to provide the paysafecard's serial number.

Replacement of the paysafecard will be possible after our verification of the circumstances.

7.2 You agree to take all reasonable precautions to protect your paysafecard against loss, theft or unauthorized use. Do not disclose your PIN to any unauthorised third party.

7.3 You should treat your paysafecard like cash. If you lose your paysafecard, we will not replace it or refund you any part of the Balance.

7.4 If you think that a Transaction with your paysafecard has not been processed correctly, you have to inform us thereof immediately. (Please see Section 4.9).

7.5 Procedure for stolen cards: If your paysafecard has been stolen or you have cause to believe your paysafecard has been used in an unauthorized way, you agree to inform us thereof immediately. Please contact us in either case by calling our hotline or via e-mail (info@paysafecard.com) so that the remaining Balance on your paysafecard can be frozen and the paysafecard cancelled. You will be asked to provide us with your name, the serial number of the paysafecard, the denomination in which the paysafecard was purchased and your recent transaction history. We cannot cancel or re-issue a paysafecard without its serial number. It may require up to one full Business Day from the time you notify us about the unauthorized use or theft to successfully freeze your Balance.

If our records indicate that there is a Balance remaining on the paysafecard, we will cancel the paysafecard and shall issue a new paysafecard in the amount of the Balance on the cancelled paysafecard to you, unless we have reasonable grounds to suspect fraud or gross negligence on your part. We may deactivate any replaced paysafecard at any time if fraud is suspected.

All transactions carried out prior to notification to us of the loss, theft or unauthorized use of your paysafecard shall be deemed to have been authorized by you.

7.6 We may block or terminate a paysafecard and our contract with you immediately if we suspect any fraud or misuse of a paysafecard occurring, if we have other security concerns or we need to do so to comply with the law. This is valid in case it is suspected that paysafecards were purchased at file sharing networks/bourses or similar, both in return of payment or gratuitous. We shall only issue a new paysafecard after you have provided us with evidence of purchase of the stolen paysafecard. You shall furthermore be obliged to provide us with the relevant file reference of the police station in charge.

7.7 You furthermore agree to cooperate with us in our efforts to recover from and assist in the prosecution of unauthorized users.

8. Disputes with Webshops

8.1 Any disputes with regard to purchases made with your paysafecard shall be settled by you with the Webshop from which the purchase was made. We shall not be responsible for any problems you may encounter with respect to the goods or services that you purchase with your paysafecard, including but not limited to quality, safety and security, legality or any other aspect with respect to the goods or services paid for with your paysafecard. Should a Webshop agree to a refund with respect to any transaction, you agree to accept credits to the Balance on your paysafecard if the Webshop so requests.

Any dispute with a (online) distributor with regard to the purchase of a paysafecard shall be settled by you with the (online) distributor from which the purchase was made, unless the dispute is with regards to an item, issue or question under the jurisdiction and control of paysafecard pursuant to the terms hereof or other contractual terms.

8.2 Please note that we cannot stop or reverse the transaction and payment once you have authorized the Transaction Amount by entering your PIN.

9. Limitation of Liability

9.1 We shall only be liable to you for direct and actual damages which were caused by our own wilful misconduct or gross negligence. Subject to any mandatory statutory requirement, in no event shall the amount of our liability exceed the Transaction Amount, nor shall we be liable for any indirect (including, but not limited to, loss of profit and/or data), incidental, consequential, exemplary, punitive or special damages, regardless of how they arise. We shall not be liable in any manner for any goods or services paid for with a paysafecard.

9.2 We are not responsible for any temporary interruptions of or delays in service due to maintenance, repairs, website changes or failures, nor shall we be liable for any costs, expenses or damages arising from any such interruption or delay, which may affect the paysafecard and/or the use thereof, including, without limitation, your ability to purchase goods or services with your paysafecard, to verify your Balance, to notify us of theft or misuse of your paysafecard, or use any other service related to the card. Furthermore, we assume no liability with respect to any interruption of a Webshop's services or systems, or for a Webshop's refusal to accept the paysafecard as a means of payment for any reason whatsoever.

9.3 We shall not be liable if any of our services are temporarily unavailable due to force majeure. Force majeure shall include, without limitation, acts of God, forces of nature, armed conflicts, terrorism, strikes or other labour disputes, acts of government authorities, power or other utility failure, failure of devices for internet access or of mobile commerce devices, virus attacks, etc.

9.4 You shall be liable for all damage caused by any conduct of yours that is in violation of these General Terms and Conditions.

9.5 You agree to act responsibly with respect to the use of the paysafecard and the Website. You will not violate any laws or intentionally interfere or disrupt computer networks. If you need to submit personal information to us under the terms hereof, you agree to submit only correct information and not to impersonate any third party.

9.6 Some Webshops may not authorize you to combine payment with the paysafecard with another method of payment, such as a Webshop's own or another prepaid card. We cannot accept any liability for such refusals.

10. Data Protection

No personal data will be collected when you buy or use a paysafecard. We may assign our rights and obligations under the present General Terms and Conditions at any time without notice.

These General Terms and Conditions will remain binding on you, your heirs, executors, permitted assigns and other representatives. In the event we decide to reimburse you for any claim you have

submitted or provide you with a credit to your Balance or payment with respect to any Transaction Amount, you will be deemed to have assigned to us all your rights and recourses that you had, have had, or may have against all third parties equal to the amount we have paid to you or credited to your Balance. You agree not to pursue such claim from such third party for the amount we have paid to you and/or credited your Balance. Furthermore, you agree to cooperate with us if we take action against the third party for the amount so paid or credited. Failure to exercise these rights under this agreement will not constitute any renunciation to our rights to exercise them in the future.

12. Severability Clause

If any provision of these General Terms and Conditions or any portion of such provision or a subsequent modification thereto, shall be held invalid, illegal or unenforceable under applicable law, the remaining provisions of these General Terms and Conditions shall not be affected thereby and shall remain valid and enforceable in accordance with same.
