

Dear customer,

buying paysafecard on the Express Bank self-service terminals is incredibly straight forward! paysafecard is a tried and tested payment method that allows you to pay safely and simply online - as if you were using cash.

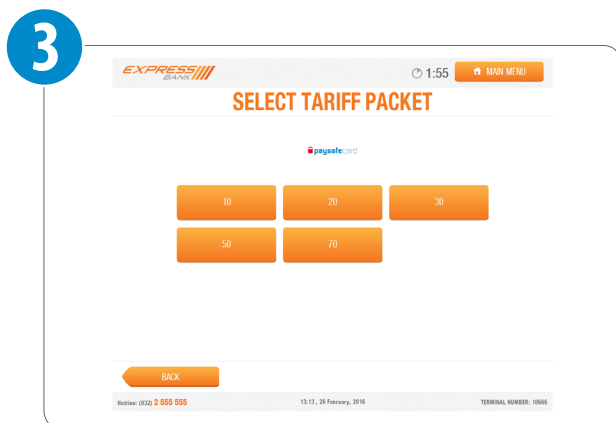

How it works:

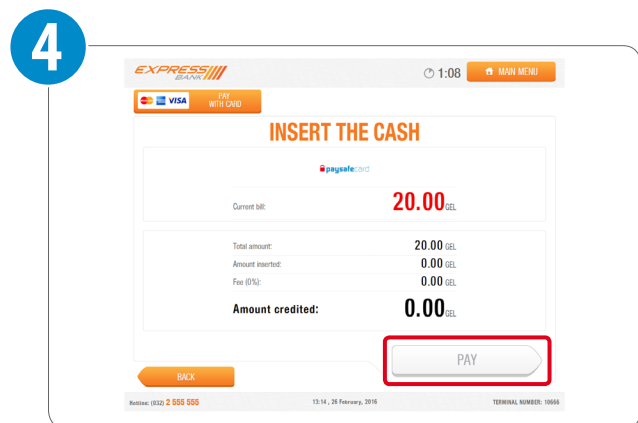

Click at the „Entertainment“ icon on the main menu.

Choose paysafecard.

Choose the value (10, 20, 30, 50 or 70 GEL) and click on the icon with the value you want to buy.

Insert the cash into the terminal and click on „Pay“ icon.

5 The transaction is completed, please receive your paysafecard with the 16-digit PIN and enjoy your online entertainment.
